

# **HOPEWELL RESIDENTS:**

## **How is your telephone service?**

The Township Committee is asking that all Hopewell residents report to the Township any and all problems with landline telecommunications in the Township.

The Committee is cataloging our local service issues so that it can provide documentation to the Board of Public Utilities.

There are four ways for you to report a telephone service problem:

1. Telephone the municipal building at 455-1230;
2. Report the problem to us through the Hopewell Township web site [www.hopewelltpw-nj.com](http://www.hopewelltpw-nj.com);
3. Fill in the form on the reverse side of this notice and mail it to the Township; or
4. Drop off the completed form at the municipal building.

Landlords: Please pass this notice along to your tenants.

Please report to us ***EVERY SINGLE TIME*** that you have a problem.
